

Diverse Dimensions at Arts/Harmony Hall

Regional Center Summer (June 1 to July 24, 2015) 2015

This June CHAL artists and CHAW faculty have the fabulous opportunity to exhibit work at one of the most lovely art galleries in the Washington DC Metro region – Arts/Harmony Hall Regional Center.

Arts/Harmony Hall is managed by the Maryland-National Capitol Park and Planning Commission and supported by a grant from the Maryland State Arts Council. The Art Gallery, with over 200 linear feet of wall space has been specifically designed as a fine art Space and allows for a variety of sizes and media to be exhibited successfully. It is equipped with track lighting and a separate climate control system, as well as having a number of covered pedestals for 3 dimensional works. Over 5,000 people a year visit this gallery.

Director of Arts/Harmony Hall Regional Center, Stuart Diekmeyer, will curate the exhibition.

There is not a fee for this show. Send your digital files to Stuart.Diekmeyer@pgparks.com

Please mark the email in the subject line – *CHAL Diverse Dimensions*.

CHAL Artists and CHAW Faculty can submit up to ten pieces of art either in a series of work or individual pieces. We especially encourage artists to submit three-dimensional pieces, as the gallery lends itself to 3-d work.

All types of artwork will be considered. CHAL's Diverse Dimensions is an exhibition to highlight all sizes of art both large and small. Our winning application highlighted that CHAL members present artwork from a wide circle of art medium, and that art comes in many sizes, colors, materials and subject matter.

Artists can submit work that has been part of past CHAL shows, since this is an exhibition to highlight our BEST work. We ask that you follow CHAL policy regarding work be created in the past 3 years.
